the journey undertaken also.

Some further disallowances in the said bills in respect of D. A. have been made by the Audit office on the ground that the enhanced D.A. is applicable only during their visit or stay at Taluk Headquarters and not otherwise.

Whatever the technic of the objection may be the spirit of the order does not seem to place any restriction or make any difference in the rates but indicates the general increase of the minimum D. A from annas four to annas six.

In this particular instance it is observed that the enhanced D.A. for the visit to Bhadravati & Harihar by them has been disallowed on the ground that they are not Taluk Head quarters. Bhadravati is a Cotton place than any other Taluk or District Head Quarters and the Sub Taluk is as good as any other Taluk. The view taken by the Audit office does not seem to be quite convincing. If it is considered that revised Scale of D.A. means the general increase of the minimum D.A. from annas 4

four to six definite instructions might perhaps be issued to the Comptroller in the matter for the guidance of Audit. Perhaps necessary addenda & Corrigenda to the article in M.S.A Governing the grant of DA might perhaps be issued. This will if approved be sent to Financial Secretariat for Consideration

AS
22.2.1941.

According to the wording of the G.O, the rise in DA from always four to Six is only for halts at all District & Taluk Headquarters and in H.Q.T. and not halts at other places although they may be equally costly and or even more so. In the instances quoted above- Bhadravati and Harihar are perhaps places more costly than many Taluk Headquarters. If the intention of the G.O is to mitigate the hardship of the class of officials and menials referred to, the actual wording may perhaps be made more liberal. The question may be referred to the H Secty for consideration

(Chief Secy)

The higher rate may be allowed in these cases of the places added to the list mentioned in the

Vide G.O. No Fl 3122-3211/SJA. 189-40-1 dated 16-11-40, the minimum daily allowance of officers in Superior and Inferior Service coming under classes VI & VII of Art 479 of the M.S.R was raised from 4/as, to 6/as. But in the order portion, the qualifying clause, that it is raised in respect of halts at all District and Taluk Head quarters and K.G.F has given room for doubt in respect of the admissibility of D.A at the enhanced rate in for the period of journey undertaken by menials.

In the meantime, the enhanced rate was made applicable to all places in the State.
